

Suzhou Hailu Heavy Industry Co Ltd is engaged in the manufacturing of energy saving and environmental protection equipment. The products of the company include boiler products, large pressure vessels, nuclear power equipment, low temperature and environmental protection projects. (002255): A leading company in special waste heat boilers, it has been deeply involved in the industry for nearly 70 years. Suzhou Hailu Heavy Industries Co., Ltd. is a leading domestic design and Light energy storage hailu heavy industry Suzhou Hailu Heavy Industry Co.,Ltd is a China-based company principally engaged in the manufacture and sales of waste heat boilers, large and special material pressure vessels and environmental protection energy storage hailu heavy industrySuzhou Hailu Heavy Industry Co., Ltd. designs, manufactures, and sells energy saving and environmental protection equipment. The company offers boiler products, such as Suzhou Hailu Heavy Industry CO.,Ltd Suzhou Hailu Heavy Industry Co., Ltd. is located in the Development Zone of Zhangjiagang City, Jiangsu Province. It is a first-class professional design and manufacturing enterprise of energy Suzhou Hailu Heavy Industry Company Suzhou Hailu Heavy Industry Co Ltd is engaged in the manufacturing of energy saving and environmental protection equipment. The products of the company include boiler Suzhou Hailu Heavy Industry company profile The company is located in Zhangjiagang Development Zone, Jiangsu Province, and is a domestic first-class professional designer and manufacturer of energy-saving and environmental (002255): The industrial special waste heat boilers designed and manufactured by the company are energy-saving and environmentally friendly products, mainly used in steel, non-ferrous metals, coking, (002255)The company specializes in energy saving and environmental protection equipment (waste heat boilers+environmental protection projects) and nuclear power equipment, and the market share Company Introduction Long-term & P&g; The development concept, focus on research waste heat, waste heat utilization and environmental protection, a combination of new technology, waste heat boiler constantly Suzhou Hailu Heavy Industry Company General Information Description Suzhou Hailu Heavy Industry Co Ltd is engaged in the manufacturing of energy saving and environmental protection equipment. The Suzhou Hailu Heavy Industry Co., Ltd. Suzhou Hailu Heavy Industry specializes in the design and manufacture of pressure vessels, which are used for heat transmission and material separation. Its products can be used in the Suzhou Hailu Heavy Industry Suzhou Hailu Heavy Industry designs and manufactures energy-saving and environmental protection equipment. Their products such as boiler products, pressure vessels, nuclear power Suzhou Hailu Heavy Industry (002255) Main Business It is a first-class domestic professional design and manufacturer of energy saving and environmental protection equipment. At present, it has also initially formed a business pattern Suzhou Hailu Heavy Industry Co., Ltd. Discovery Company profile page for Suzhou Hailu Heavy Industry Co., Ltd. including technical research,competitor monitor,market trends,company profile& stock symbol ARE HEAVY DUTY ENERGY STORAGE SYSTEMS WORTH ITHailu heavy industry energy storage equipment The Company provides exhaust heat boilers, including

catalyzing and cracking heat recovery boilers, incinerator heat recovery boilers, dry About Suzhou Hailu Heavy Industry The company is located in the development zone of Zhangjiagang City, Jiangsu Province. It is a first-class domestic professional design and manufacturer of energy saving and environmental Suzhou Hailu Heavy Industry Co., Ltd.:Company ProfileDiscovery Company profile page for Suzhou Hailu Heavy Industry Co., Ltd. including technical research,competitor monitor,market trends,company profile& stock symbol Light energy storage hailu heavy industry Light energy storage hailu heavy industry Company Profile. Suzhou Hailu Heavy Industry Co., Ltd. is located in Zhangjiagang City, Jiangsu Province Development Zone, is a professional design Wuhan Weisheng Hailu Heavy Industry Co., Ltd Company's business scope construction work ? Design of Environmental Engineering ? construction; Installation of general mechanical equipment; Energy saving and 002255 Stock Price Quote | MorningstarSuzhou Hailu Heavy Industry Co Ltd is engaged in the manufacturing of energy saving and environmental protection equipment.
