

Did Furber and Watkins know the identity of Q? Although both Furber and Watkins publicly denied knowing the identity of Q, Watkins appeared to admit to having authored some of the Qdrops during an interview for the HBO documentary Q: Into The Storm (). Watkins took back this admission almost immediately, but he subsequently turned his deep association with QAnon into a political career. Was Watkins behind 'Q drops'? Alleged "Q drops" from the government insider found a home there after other sites banned the content. Researchers, journalists and QAnon believers have guessed that Watkins was behind the Q persona and many of his cryptic and erroneous posts, but never had proof. Did computer scientists unmask Q? With help from machine learning software, computer scientists may have unmasked the identity of Q, the founder of the QAnon movement.
