World Power Battery Conference Kicks off in Yibin The World Power Battery Conference (WPBC), themed "New Quality Power, Innovative Green Future", kicked off in Yibin on the morning of September 1. World Power Battery Conference Opened in Yibin, Sichuan The special sessions mainly involve advanced battery tech, new energy storage tech, the entire industrial chain and supply chain of new energy, quality improvement of power SCU Attend World Power Battery Conference SCU was invited to participate. Chairman Chen Jisheng and Deputy General Manager Liu Yafeng attended the conference on behalf of the company and participated in a series of activities such as the special World Power Battery Conference held in Yibin, China As the first grand event in China's power battery industry, the World Power Battery Conference has been held for three consecutive sessions since its landing in Sichuan The 10th World Battery & Energy Storage Industry Expo (WBE WBE is set to take place from August 8th to 10th at the China Import and Export Fair Complex to showcase the rapid growth of the battery and energy storage industry. World Battery & Energy Storage Industry Expo WBE on WBE is set to take place from September 16th-18th at the China Import and Export Fair Complex, showcasing the rapid growth of the battery and energy storage sectors. The World Power Battery Conference Opens The Power Battery Quality Improvement Conference is organized by the National Institute of Metrology, China and the Certification and Accreditation Technology Research Center of the State World Power Battery Conference kicks off in Visitors attend the opening ceremony of the World Power Battery Conference in Yibin, southwest China's Sichuan Province, Sept. 1, . (Xinhua/Tang Wenhao) Projects worth 13.4-billion-USD inked at world power battery The event, hosted by the Sichuan provincial government, aims to build an international cooperation platform for the development of the power battery industry and The 6th International Conference on Energy Storage Materials This conference serves as the annual assembly of the journal Energy Storage Materials, with a primary concentration on advanced energy storage materials and devices, core themes of the Energy Storage Summit Max Li-Power Energy Technology Co., Ltd. (hereinafter referred to as "Max Li-Power") is a high-tech enterprise engaged in the research and development, system integration and technical services of new energy Upcoming Events The Energy Storage Awards (ESAs) aim to reward excellence and hard work in the European industry, recognising the pioneering spirit and dedication to positive change it represents. Now in their second year, the SCU Attend World Power Battery Conference On September 1, , the World Power Battery Conference was grandly opened in Yibin, Sichuan Province, China. SCU was invited to participate.
